Manufacturer's declaration of CE-conformity

on adherence to the interference emission and
interference resistance requirements

Product: self-levelling Point (Plumb) Line Laser
Types: (LA2PL "STABILA" version)
Operating data: nominal voltage: 6 V DC (4 * AA batteries)
Applied standards: Interference emission: EN 55011 B; 2003
Interference resistance: EN 61000-4-2; 2001
EN 61000-4-3; 2003

Testing conditions: see above described standards

Signed: Dipl.Ing.(FH) Daniel Busam
