

28.08.2006

Manufacturer's declaration of CE-conformity

on adherence to the interference emission and
interference resistance requirements

Product: self-levelling 4-point laser

Types: (LA-4P "STABILA" version)

Operating data: nominal voltage: 6,0 V DC (4 * AA batteries)

Applied standards: Interference emission: EN 55011;
Interference resistance: EN 61000-4-2;
EN 61000-4-3;

Testing conditions: see above described standards

A handwritten signature in black ink, appearing to read "Daniel Busam".

Signed: Dipl.Ing.(FH) Daniel Busam
