Manufacturer's declaration of CE-conformity

on adherence to the interference emission and
interference resistance requirements

Product: self-levelling Cross Line Laser

Types: (LAX-50 "STABILA" version)

Operating data: nominal voltage: 4.5 V DC (3 * AA batteries)

Applied standards: Interference emission: EN 55022;
Interference resistance: EN 55024

Testing conditions: see above described standards

Signed: Dipl.Ing.(FH) Daniel Busam
